Three years ago a quiet, soft spoken, and ever modest man assumed the duties of Coach and Assistant Principal of Stuart High School. We are ever thankful for the help he has given us and the fine basketball teams he has built. "The JEB" Staff of Stuart High School wishes to dedicate this nineteen-hundred fifty-six edition of "THE JEB" to Mr. Charles Moir.

## CLASS PROPHECY

On September 21, 1965, Nancy and I came in from a hard day's work at Miller and Rhoads in Richmond, Virginia, where she is head window-decorator and I manage the shoe department. Being in a reminiscing mood we decided to look through some old keepsakes that had been packed away for years. The first we ran across was a copy of the '56 JEB. Nancy and I sat down and began to look through it and as we looked at the annual we wondered what had become of the other members of our class. Before long we both dropped off to sleep. A while later Nancy woke me up by saying, "Wake up Teeny, and let me tell you what I dreamed." "I was in the Palace Theater and it was just time for the stage show to begin. The curtain opened and there was Nancy Dunkley, Shirley Gunter, Sarah Dalton, Johnny Adams, Garnett Hall, and Camden Joyce, Jr. They gave a wonderful performance, Sarah and Johnny, being the two leading comedians of their day.

Next came the newsreel. They were showing the testing of the new jet planes, and when the pilot stepped out of the plane, to my surprise, it was Bill Ray. Then it switched over to Washington, D. C., where the Vice-President, Edward Gunter, was speaking to a group of people. Following this came the fashion section and you can imagine how happy I was to see that Margaret Creasey had been chosen the best dressed woman of the year. And last was the sport section. They were showing a section of the Darlington 500 Auto race, and who should be the winner but our old classmate, Brian Mooney, who from his experience in driving around Stuart, had developed into a famous auto race driver.

Now it was time for the feature to begin and the leading actor was Bruce Gunter.

After enjoying the movie very much I went backstage to talk to Nancy Dunkley and her troupe to see if they knew what had become of the rest of our class. They said that Dorothy Shockley was teaching commercial subjects and Violet Williams, art, at Stuart. Charlotte Nowlin is now Mrs. Aaron Wood, one of the general managers of the United Elastic Corporation at Stuart. Donice Jean Light, Doris Williams, and Yvonne Williams, are nurses at John Hopkins Hospital in Maryland. Jackie Roberson and Jimmy Conway are the most eligible bachelors in Stuart. Myra Williams is now Mrs. Donald Tatum and lives in Martinsville. Jo Ann Roberson is now Mrs. George Bruce Handy. Janelle Owens is making quite a name for herself in the Gospel singing field. Shirley Jessup and Micky Williams are married and living on Mayo Court. He is now half owner of the Stuart Lumber Corporation. Ruth Blaylock is a teacher at Radford College. Jane Bryant has a T.V. program entitled "Let's Cook It Right." Mary Jane Belton and her husband live on Collinstown Road and have just bought a '66 Mercury. Ann Cassady and Vergie Harris are both happily married and are near neighbors at Patrick Springs. Johnny Mitchell and his wife have recently made their home in Stuart where he is a veterinarian. Lucy Williams is happily married and makes her home at Meadows of Dan."

It is nice to know that the future of our classmates will be successful and we wish for them as happy and glamorous life as found in my dreams.

Dear Senior Class of '56:

You are now completing your public education and it is in order to extend to you, "Congratulations!" for your perseverance and final achievement.

You are standing on the threshold of a new and exciting life. Commencement is truly the beginning - the beginning of greater accomplishments and greater responsibilities. Some of you will go on to college pursuing a higher education to better fit you for life. Others of you will take up your responsibilities in the business world. Wherever you go or whatever vocation you engage in, we hope and pray that the future will be good to each and every one of you. In this connection, you may rest assured that you can depend on us to render the best possible service to you and your community in every way that we know how. Your problems, either in insurance or in civic affairs, are of prime interest to us.

Wishing you the best of luck for the future, we are,

Sincerely,  
Paris H. Pugh, Owner

## symbol of progress...

As graduation nears, let's take a serious look at the past. We see that education has been largely responsible for the progress of our nation.

Why? Education is PROGRESS.

Today — more than ever before — industry, business and labor, all, know the true values of a good educational system. EDUCATION continues to stand as a true symbol of PROGRESS.
